

A 128x128 grid of small squares, each containing a small black dot, representing a sparse matrix or a grid of data points. The grid is composed of 128 columns and 128 rows, with each cell containing a single black dot. The dots are distributed across the grid, with some appearing more frequently than others, suggesting a sparse matrix or a grid of data points. The grid is rendered in a light gray color, and the dots are small black circles. The overall appearance is that of a sparse matrix or a grid of data points.
